An investment in a money market fund is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. Although the Wells Fargo Advantage Money Market Funds seek to preserve the value of your investment at \$1.00 per share, it is possible to lose money by investing in a money market fund. The U.S. government guarantee applies to certain of the underlying securities and not to shares of the Fund.

Carefully consider a Fund's investment objectives, risks, charges, and expenses before investing. For a current prospectus, containing this and other information, visit www.wellsfargo.com/advantagefunds. Read it carefully before investing.

Wells Fargo Funds Management, LLC, a wholly owned subsidiary of Wells Fargo & Company, provides investment advisory and administrative services for Wells Fargo Advantage Funds®. Other affiliates of Wells Fargo & Company provide subadvisory and other services for the Funds.
